

Share-the-Plate Suggestion Form

The Share-the-Plate Program is one way our Fellowship supports important causes in the greater community. Plate recipients are chosen from members' (non-political) suggestions to the Community Service Team. Half of each collection goes to the Share-the-Plate Fund. When \$1000 is reached, that \$1000 is given to the selected organization.

A representative of the organization may be invited to speak briefly to the congregation at a Sunday Service.
