Cary Bayer is a Life Coach in Florida and New York, who's worked with Oscar-winning Alan Arkin, David Steinberg, and Quality Inns. As a teacher and facilitator, he's helped people make their dreams come true since 1973. He founded The Breakthrough Aerobics Inner Workout, and authored *The Prosperity Aerobics*; a series of affirmation books on money, success and relationships; and a series on *The Wizard of Oz* as a metaphor for our journey to wholeness. His Breakthrough Coaching private work creates breakthroughs in people's sense of purpose, relationships, money, career, and spiritual lives. **To book a session, call (954) 788-3380.**
